

Our Lady of Mt Carmel, Mullewa Teaching Positions Available

Position Details

Our Lady of Mt Carmel is seeking 2 full-time teachers for 2024 for 2 of its composite classes. Early Childhood qualifications for one of the positions would be an advantage, but not absolutely necessary. One position will be ongoing, the other a 12-month fixed term contract with the possibility of ongoing employment subject to student enrolments. A one to two-year secondment would also be possible, with the approval of your current principal.

Our Lady of Mount Carmel is a thriving rural school and caters for approximately 50 students from Kindergarten to Year Six, with three composite classes, all small in size. The school uses trauma informed practices to support student needs. The school is well-resourced with a 1:1 iPad program, Apple TV's and BenQ Boards in each classroom. All teachers new to the school are supported by a very experienced and caring staff.

As we are situated in the Mid-West region, 96km from the City of Geraldton, assistance with re-location is included, and teacher housing is available upon appointment to Mullewa. Please refer to the [CEWA Teacher EBA](#) and [salary schedule](#) for more information regarding salary and conditions. The last section of the EBA contains information about the incentives within the CEWA Remote Area Package.
